

Privacy Policy

Last Updated: June 30, 2018

This Privacy Policy ("Privacy Policy") is designed to help you understand how Edge Solutions collects and processes the information that you share when you use this and any of our websites (together, the "Site".)

Before submitting information to the Service, please review this Privacy Policy carefully. By using or accessing the Service, you accept the practices described in this Privacy Policy. If you prefer that we not collect and process information about you, please do not provide it to us and do not access the Service.

Information We Collect

We collect the following information, including:

- **Personal Information You Share With Us:** "Personal Information" is information that can personally identify you, such as your name, email address and telephone number. We maintain one or more databases to store your Personal Information and may retain it as reasonably required to serve you and operate the Service. Personal Information that we collect depends on how you use the Service. Providing your Personal Information to us is your choice. If you choose not to provide us with certain Personal Information, you may not be able to take advantage of certain features of the Service; and
- **Information We Collect Automatically:** When you visit the Service, we may automatically collect identifier and other technical information, such as your browser information, operating system information, device information, TCP-IP address and the date, time, length of stay and specific pages accessed during your visits to the Service ("Online Information").

Registering for the Service

If you register to use the Service, we may collect Personal Information including your name, email address, and telephone number.

You may also register for the Service using another service, such as Facebook. If you create your Edge Solutions account by connecting through another service, you are authorizing us to use public information from that connected account to help complete your Edge Solutions profile. Please remember that the manner in which the service uses, stores, and discloses your information is governed solely by the policies of such service. We recommend that you review the terms and policies of that service, including its privacy and data gathering practices. Edge Solutions shall have no liability or responsibility for the privacy practices or other actions of any third party service provider or any other third-party site or service that may be enabled within the Service.

You may review, update, or modify your account information, including profile and contact information, at any time by logging into your Edge Solutions account. You may also permanently delete your account by contacting us.

Online Identification Tools

Like many website providers, we use your IP address to help diagnose problems with our server and provide a better web experience. Your IP address is used to help identify you and your shopping cart and gather Online Information.

We use web beacons (a.k.a. clear GIFs, web bugs or pixel tags) to personalize your experience of the Service and to generate information about Service traffic and trends. Web beacons collect Online Information, such as the type of browser that you use and your IP address. Web beacons may be used alone or in conjunction with cookies; when web beacons are used with cookies, they may link Online Information to other Personal Information that you have provided to us. Web beacons usually are not visible to you.

We also use cookies to keep track of your shopping cart and for other purposes like personalizing the Service. A cookie is a small file stored by your internet browser on your computer. A "session cookie" stores temporary information that is erased when you close your web browser or turn off your computer. A "persistent cookie" enables the

Service to recognize you when you return to it and remains stored on your computer until you delete it. Your web browser is usually set up to initially accept cookies. If you set your browser to reject cookies, the Service will not be able to recognize your account or to personalize the content that you see. A "flash cookie," also known as a "local storage object," is not stored in your browser, unlike other cookies, and instead placed on your computer by websites that use Adobe Flash. You may disable flash cookies via your Flash Player preferences or by using third-party software. We do not and cannot use cookies to gather other information that may be stored on your hard drive.

Third-party advertising management partners may help us display tailored content to our customers' interests and serve interest-based advertising on our behalf. Edge Solutions and our advertising management partners may use cookies, web beacons and other tools to collect Online Information about your activities on the Service, to deliver advertising on the Service or elsewhere on the Internet based upon your interests that may be more relevant to you and to measure effectiveness of our marketing efforts and the Service. In particular, Edge Solutions may use Google Analytics to monitor activity on the Site and assist with advertising. To learn how Google Analytics collects and processes data, please visit: "How Google uses data when you use our partners' sites or apps" located at www.google.com/policies/privacy/partners.

You may "opt out" of receiving some interest-based advertisements by following the instructions at www.aboutads.info/choices or www.networkadvertising.org/choices/. (An "opt-out cookie" will be placed on your computer indicating that you do not want to receive interest-based advertisements. If you delete cookies on your computer, you will need to opt-out again.) You may opt out of certain interest-based advertisements that use Edgesolutionsllc.net's cookie. To learn more about cookies in general, including how to manage and delete cookies, visit www.aboutads.info.

Opting out of receiving interest-based advertisements through the links above does not mean you will no longer see digital advertisements from Edge Solutions or our ad management partners; rather, opting out means that most of the digital advertisements that you do see will not be based on your particular interests. In addition, certain data collection tools on the Service (including cookies) still may collect information about your use of the Service, such as for analytics and fraud prevention.

How We Respond to Do Not Track Signals

Some web browsers (including Safari, Internet Explorer, Firefox and Chrome) incorporate a "Do Not Track" ("DNT") or similar feature that signals to websites that a user does not want to have his or her online activity and behavior tracked. If a website that responds to a particular DNT signal receives the DNT signal, the browser can block that website from collecting certain information about the browser's user. Not all browsers offer a DNT option and DNT signals are not yet uniform. For this reason, many digital service operators, including Edge Solutions, do not recognize or respond to DNT signals.

Third Party Features

The Service also may include an activity feed, social media buttons and widgets, such as the Facebook "Like" button or the "Share This" button. These features may collect and display your Personal Information, your IP address and the page you are visiting on the Service and may set a cookie to enable the feature to function properly. These features are either hosted by a third party or hosted directly on the Service and your interactions with them are governed by the privacy policy of the third party that provides the feature.

Use of Service via Mobile Device

If you use the Service through your mobile device, we may collect your geo-location information to assist us in fulfilling your order. We will not share this information with third parties and will only use this information for the sole purpose of fulfilling your order. You may at any time prevent the Service from using your location by turning this option off at the device level.

When you use the Service through your mobile device, we also collect device type and UUID, a unique identifier generated within the App, and store this information in log files. We use this information to provide you with the most up to date application and

features, or to advertise or promote products or services to you that are applicable to your device type.

Third-Party Links

We may provide links to third-party websites that we do not own or control. We are not responsible for the information collection practices of any website that we do not own or control. We encourage you to review and understand the privacy practices of third-party websites before providing any information to or through them.

How Your Personal Information is Used, Processed and Disclosed

Except as specified in this Privacy Policy, Edge Solutions does not rent, sell, trade or disclose your Personal Information to third parties without your prior consent. Edge Solutions may, however, use, process and disclose Personal Information to:

When possible, Online Information may be combined and/or linked to other Personal Information that you provided to us, in accordance with the purposes specified above.

We may use your deidentified Personal Information and Online Information to prepare anonymized, aggregated data about our users ("Anonymized Data"). We may provide third parties with Anonymized Data in describing the Service to prospective partners, advertisers and other third parties, and for all other lawful purposes. As communicated to third parties, the Anonymized Data does not include any information permitting the recipient to identify, locate or contact you.

Third Party Service Providers

Edge Solutions employs other companies and individuals to perform functions on our behalf, such as fulfilling orders, delivering packages, sending postal mail and e-mail, serving ads on our behalf, providing search results and links, and processing credit card payments. These third-party service providers have access to Personal Information needed to perform their functions but may not use it for any other purpose.

Acquisition of Edge Solutions

In the event that a store, division or part or all of Edge Solutions (or the assets of a Edge Solutions entity) is bought, sold or otherwise transferred, or is in the process of a potential transaction, customer information will likely be shared for evaluation purposes and included among the transferred business assets.

Information Sharing for Marketing Purposes

To provide you with information about products and services that may be useful to you, we may partner with select reputable organizations whose privacy policies we believe are consistent with ours. Such organizations may include other retailers and magazine publishers. Through these arrangements, we may share, exchange, cross-reference and/or rent your name and mailing address.

If you do not want us to share your Personal Information with third parties for marketing purposes, please contact us. Immediately after your request has been processed, your information will no longer be shared with any third party for marketing purposes.

Blogs, Reviews and Forums

The Service also may from time to time offer publicly-accessible blogs, customer reviews or forums. Any information you provide in these areas may be read, collected and used by others who access them. To request removal of your Personal Information from blogs, customer reviews or forums, please contact us. Please note that in some cases we may be unable to remove your Personal Information.

Inviting Others

You may choose to invite someone else to use the Service by providing his or her name and email address. We may use this information to send invitations to such individuals, to track the results of such invitation referrals, and to confirm qualifying orders attributable to your registered account. Anyone who receives an email invitation to use the Service may opt out of receiving such emails in the future by following the opt-out instructions in the email. We take commercially reasonable steps to implement all opt-out requests promptly, but those who opt out may still receive communications from us as we process the opt-out request, or as required for order processing and other purposes.

Retention of Personal Information

Edge Solutions retains Personal Information for the period necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by applicable law.

Accessing and Updating Your Personal Information and Preferences

Modifying or Deleting Your Personal Information

If you would like to modify or delete your Personal Information, please contact us with clear instructions about what you would like to be modified or deleted. We will respond to your request promptly.

Changing Your Subscription Preferences

If you tell us that you do not want us to use your Personal Information to contact you, Edge Solutions will respect your wishes. If you are a registered user, you may change your preferences to receive or not to receive email or other communications from us by logging in to your account and indicating those preferences on the "My Account" section of our Service.

You may also instruct Edge Solutions to stop sending you emails, newsletters or other information by following the 'unsubscribe' instructions provided in the email. Edge Solutions may, however, continue to use your Personal Information to contact you to service your account or as otherwise authorized by law. Please note that if you use more than one name or e-mail address when communicating with Edge Solutions or using the Service, you may continue to receive communications from Edge Solutions to any name and/or email address not specified in your opt-out request.

Your California Privacy Rights

This privacy policy describes how we may share your information, including for marketing purposes. California residents are entitled to request and obtain from Edge Solutions once per calendar year information about any of your personal information shared with third parties for their own direct marketing purposes, including the categories of information and the names and addresses of those businesses with which

we have shared such information. To request this information and for any other questions about our privacy practices and compliance with California law, please contact us.

Right to Removal of Posted Information--California Minors

To request removal of such information, you can contact Edge Solutions as provided below. Upon receiving such a request, Edge Solutions will make sure that the information is not publicly available on the Service, but the information may not be completely or comprehensively removed from our systems and databases.

Visitors from Outside of the United States

The Service is hosted in the United States. If you are visiting the Service from outside the United States, your information may be transferred to, stored and processed in the United States in accordance with this Privacy Policy and applicable US laws. Please note that data protection and other applicable laws of the United States may not be as comprehensive as those laws or regulations in your country or may otherwise differ from the data protection or consumer protection laws in your country. By using the Service, you consent to transfer of your information to our facilities as described in this Privacy Policy.

Information Security

We have instituted reasonable safeguards to help ensure that information collected is secure. We also take reasonable steps to ensure that third parties who work with us to make the Site (including the software, applications and services provided on the Site) available to you agree to protect personal information that they must access in order to serve you and to honor your preferences about contacts you receive.

When you send or otherwise transmit your sensitive information (such as your credit card number) to or through the Sites, your sensitive information is encrypted and protected with SSL, the current industry-standard encryption protocol. When you are on an SSL-protected page, a picture of a closed lock appears at the bottom or top of some web browsers. Another way to tell if you are on a secure page is to check the URL or address of the page. (Look in the address box or right-click on the page and select "Properties".) These secure SSL-encrypted pages have URLs that start with "https://" instead of "http://".

Please understand, however, that it is possible for third parties to access information despite our efforts. Without limiting the terms of our Terms of Use and this Privacy Policy, you understand that we do not guarantee that your use of the Site and/or information provided by you will be private or secure and we are not responsible or liable to you for any lack of privacy or security you may experience. You are fully responsible for taking precautions and providing security measures best suited for your situation and intended use of the Site. You also understand that any information provided by you or collected by us or our agents in connection with your use of the Site will be used in the manner described in our Terms of Use. Please do not use the Site if you do not agree to the terms and conditions described in this Information Security section.

If you have any questions about security of the Site, please contact us.

Changes to our Privacy Policy

We may occasionally update this Privacy Policy to reflect changes in our practices. When we post modifications to this Privacy Policy, we will revise the "Last Updated" date at the top of this web page. The modified Privacy Policy will be effective immediately upon posting on the Service. Your continued use of the Service after the posting of the modified Privacy Policy constitutes your agreement to abide and be bound by it. If we make any material change, we will notify you by email (sent to the e-mail address specified in your account) or by means of a notice on this Service prior to the change becoming effective. We encourage you to periodically review this page for the latest information on our privacy practices. If you object to any modification, your sole recourse is to stop using the Service.

Legal Disputes

YOU AND Edge Solutions AGREE TO GIVE UP ANY RIGHTS TO LITIGATE CLAIMS IN A COURT OR BEFORE A JURY OR TO PARTICIPATE IN A CLASS ACTION OR REPRESENTATIVE ACTION WITH RESPECT TO A CLAIM. OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT, SUCH AS ACCESS TO DISCOVERY, ALSO MAY BE UNAVAILABLE OR LIMITED IN ARBITRATION.

Any dispute between you and Edge Solutions, its agents, employees, officers, directors, principals, successors, assigns, subsidiaries or affiliates (collectively for purposes of this section, **Edge Solutions**) arising from or relating to these Terms of Use and their interpretation or the breach, termination or validity thereof, the relationships which result from these Terms of Use, including disputes about the validity, scope or enforceability of

this arbitration provision (collectively, "**Covered Disputes**") will be settled by binding arbitration administered by the American Arbitration Association (AAA). Edge Solutions and you agree that any Covered Dispute hereunder will be submitted to arbitration on an individual basis only. Neither Edge Solutions nor you are entitled to arbitrate any Covered Dispute as a class, representative or private attorney action and the arbitrator(s) will have no authority to proceed on a class, representative or private attorney general basis. If any provision of the agreement to arbitrate in this section is found illegal or unenforceable, the remaining arbitration terms shall continue to be fully valid, binding, and enforceable (but in no case will there be a class, representative or private attorney general arbitration). These Terms of Use and related transactions will be subject to and governed by the Federal Arbitration Act, 9 U.S.C. sec. 1-16 (FAA) and, where otherwise applicable, by the laws of the Commonwealth of Massachusetts.
